THE PROACTIVE VOTER PLEDGE

PDF Instructions I, **Richard L. Stevenson**, the undersigned **citizen** of the United States of America, pledge with my fellow citizens to legally register and vote in all local, state, and national elections for the rest of my life. I consider the bipartisan power struggle between Democrats (**DNC**) and Republicans (**RNC**) a threat to the freedoms gained by the Declaration of Independence and later defined in the **Bill of Rights** under the Constitution of the United States of America. Special interest money donations to the **DNC & RNC** two-party monopoly rob our citizens of political representation within legislative bodies and executive branches at all levels of government. I must withdraw wholehearted support from all Democratic Party and Republican Party **establishment** candidates. I pledge to help elect qualified **populist** nonpartisan and minor party candidates to many local, state, and national public offices in order to have equal representation under the law for all living natural citizens. Fire **establishment** bipartisan incumbents. **UNITE AMERICA. EVERYBODY VOTE! FIX DEMOCRACY.**

Sign this pledge: We need new political leaders free of party control. We need to circulate ballot access petitions to put more **populist** nonpartisan and minor party candidates on every ballot. Be proactive as a ballot access petition circulator and voter. Join other voters who sign the pledge. **Give journalists and your representatives a hard copy or eFile of your signed pledge.** We will vote incumbents out of office and elect new people who represent natural citizens, not political parties or powerful special interests. We can have liberty and justice for all.
