## The Proactive Voter Pledge

I, (print name) Richard L. Stevenson, the undersigned citizen of the United States of America, do pledge with my fellow citizens to legally register and vote in all local, state, and national elections for the rest of my life. I consider the bipartisan power struggle between Democrats (DNC) and Republicans (RNC) a threat to the freedoms gained by the Declaration of Independence and later defined in the **Bill of Rights** under the Constitution of the United States of America. Special interest money donations to the **DNC & RNC** two-party monopoly rob our citizens of equal political representation within legislative bodies and executive branches at all levels of government. I must withdraw wholehearted support from all **establishment** Democratic Party and Republican Party candidates. I pledge to help elect qualified **populist** nonpartisan and proactive candidates to many local, state, and national public offices in order to have equal representation under the law for all living natural citizens. We will fire **establishment** bipartisan incumbents. **Unite America. Everybody Vote! Fix Democracy.**

**Share this pledge:** We need new political leaders free of party control. We need to circulate ballot access petitions to put more **populist** nonpartisan and proactive candidates on every ballot. Be proactive as a ballot access petition circulator and voter. Join other voters who sign the pledge. **Give journalists and your representatives a hard copy or eFile of your signed pledge.** We will vote incumbents out of office and elect new people who represent natural citizens, not political parties or powerful special interests. We can have liberty and justice for all.

## SHARE YOUR SIGNED PLEDGE: FIX DEMOCRACY

Fill out and sign your Proactive Voter Pledge. Fill in Your information (include your voting precinct and/or districts for the public office holders who represent you).

Make 20 black and white hard copies, 10 signed (1st page), 10 blank for friends to sign (both pages). Share your signed pledge; and copies signed by friends. Unite America. One voice.

Important: Send hard copies to local journalists and to public office holders who are your representatives. Our goal is to have an equal voice in our governments. Current office holders do not represent the 99.999%. We will replace incumbents who do not represent us. We are the 99.999%,
